- Celebration of open source.
- Globally celebrated.
- From 1st to 31st of October

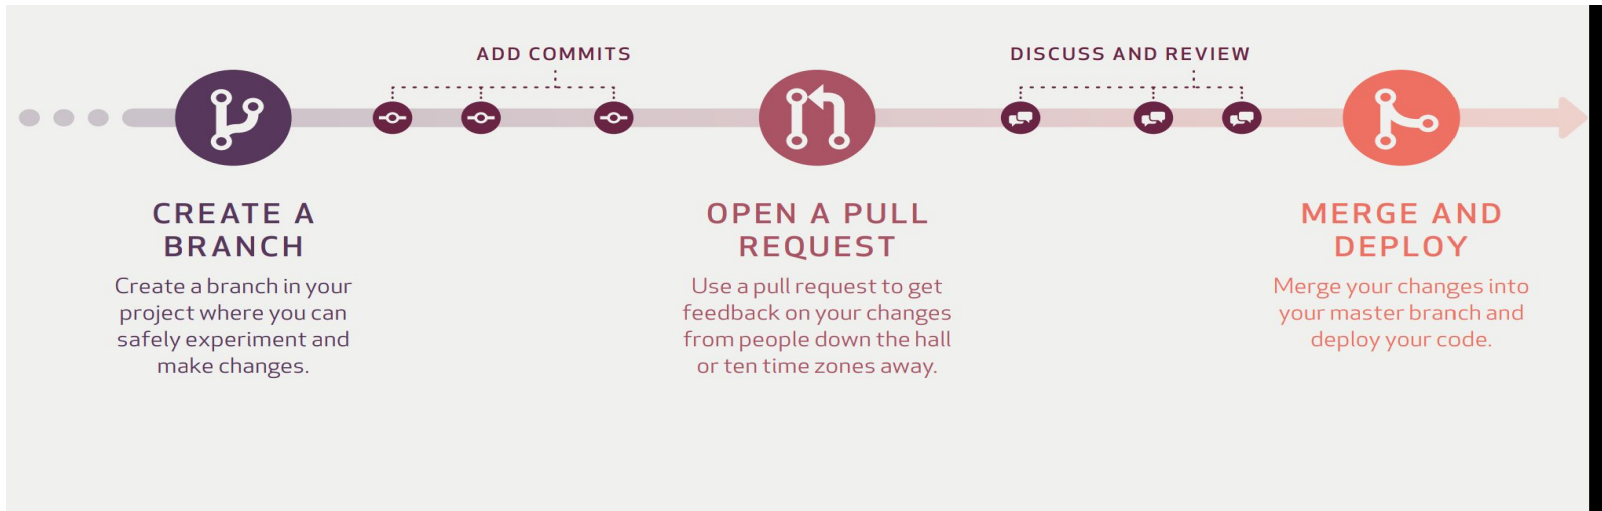

Why

- To aware.
- To get started with open source.
- To give back to Open Source.

Support
open
source and
earn a
limited
edition T-
shirt!

How

All you have to do is contribute to any open source projects and open at least 4 pull requests.

How Can I Contribute?

- Have a github account.
- Register at Hacktober website.

What Can I Contribute?

- PR's to GitHub-hosted repositories/projects.
- It doesn't need to be code. It can be even documentation. Or spelling fix.

Guidelines

1. Participation rules

2. Quality standards

3. Values

- Everyone is welcome!
- Quantity is fun, quality is the key!
- Short-term actions, long-term impact!
